Who We Are...

- ▶ We are your Single Point Of Contact and will Project Manage every step of the process!
- ▶ Almost 30 Years of Industry Experience.
- ▶ Commissioned by our partners.
- ▶ We give a FREE Analysis of your Communications Contracts, Fees and Charges to find waste and can expose any Fraudulent Billing.
- ▶ Multiple Carriers / Multiple Products / Multiple Services on ONE Consolidated Monthly Bill. Paper Invoice or Electronic Billing.
- ▶ Complete Customer Service: We make it easy for you by eliminating the hassle and challenges of any transactions.
- ▶ Our expertise is Telephone Bill Auditing and Telephone Expense Analysis. If you are moving, we can be your Relocation Specialists and Telephone System Consultants.

Moving your Business?

▶ We are your solution for Corporate Moving Services:

If you are considering or beginning plans to move or expand your company, there are dozens of steps and issues to consider...CCC can help with this transition. We are experienced, goal-oriented and deliver to exceed expectations.

Our expertise is Telephone Auditing and Telephone Expense Analysis. If you are moving, we can be your Relocation Specialists and Telephone System Consultants.

We will personally organize phone service transfers, equipment shipping, office furniture planning, painting, security system ordering and setup, Network and electrical wiring, network testing and upgrades, office equipment setup, etc.

Here are some of our contacts:

Corporate Moving Services
Pre-Moving Planning
Office Furniture Experts
Security Systems Installers
Network and Computer Solutions Companies

We work for you...

- ▶ Located in Central New England
- ▶ We cover New England, the US and all International Businesses
- ▶ Represent over 15 carriers
- ▶ Complementary Onsite Consultation
- ▶ Free Phone Bill Analysis
- ▶ Will Project Manage the transition and always be your Customer Service Contact!

HOSTED VoIP

TELEPHONE SYSTEMS

For Business | Government | Education

Vin Wassel
System Specialist

- Simplified Management
- Built-In Disaster Recovery
- Employees Work Efficiently from Anywhere
- Eliminate Expensive Point-to-Point Circuits & Toll Charges

Fully-featured VoIP phone systems “in the cloud” providing far greater reliability and flexibility than a premise-based system.

With a Hosted Communications System you receive all the advantages of IP telephony without the cost of purchasing, installing and maintaining an expensive phone system

Is Your Business using the appropriate Carrier for
TELEPHONE ♦ INTERNET ♦ DATA SERVICES

Be certain the Monthly Fees are the best available for your business!
